**COMMUNITY DECLARATION
FOR
NORTH LAKES OF HARMONY**

**ARTICLE I
GOVERNANCE OF THE COMMUNITY**

1.1 Purpose and Intent: Binding Effect.

(a) HARMONY FLORIDA LAND LLC, a Delaware limited company (the "Declarant"), is the record title owner of the real property legally described in Exhibit "A", attached hereto and incorporated herein by this reference (the "Properties"), and intends by the recording of this COMMUNITY DECLARATION FOR NORTH LAKES OF HARMONY (this "Declaration") to create a general plan of development for the planned community known as "NORTH LAKES OF HARMONY." This Declaration provides a procedure for the future expansion of NORTH LAKES OF HARMONY to include additional real property and provides for the overall development, administration, maintenance and preservation of the real property now and hereafter comprising NORTH LAKES OF HARMONY. An integral part of the development plan is the creation of North Lakes of Harmony Community Association, Inc., a Florida not-for-profit corporation (the "Association"), a homeowners association to be comprised of all record title owners of residential real property in NORTH LAKES OF HARMONY. The purpose of the Association is to operate and maintain various Common Areas and community improvements and to administer and enforce this Declaration and the other governing documents referred to herein.

This Declaration does not and is not intended to create a condominium within the meaning of the Florida Condominium Act, Florida Statutes Section 718.101, et. seq.

(b) All property described in Exhibit "A" and any additional property that is made subject to this Declaration in the future by filing of one or more Supplemental Declarations in the Public Records, shall be owned, conveyed and used subject to all of the provisions of this Declaration, which shall run with the title to such property. This Declaration shall be binding upon all Persons having any right, title or interest in any portion of the Properties, as well as the Occupants of any Unit and their guests and invitees.

(c) This Declaration shall be enforceable by Declarant and its respective successors and assigns, the Master Association and its respective successors and assigns, the Association and its respective successors and assigns, and the owner of the real property comprising the Club and its successors and assigns, including successors in title to the Club property (the "Club Owner"), and unless terminated as provided in Section 1.1(d), this Declaration shall have perpetual duration. If Florida law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive periods of twenty (20) years each, unless terminated as provided below.

(d) Unless otherwise required by Florida law, this Declaration may not be terminated except by an instrument signed by (i) seventy-five percent (75%) of the total Voting Interests, and (ii) Declarant, if Declarant owns any portions of the Properties. Any such instrument shall set forth the intent to terminate this Declaration and shall be recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

(e) If any court finally determines that a provision of this Declaration is invalid, in whole or as applied in a particular instance, such determination shall not affect the validity of other provisions or applications.

1.2 Governing Documents. This Declaration, each Supplemental Declaration, the Articles of Incorporation, the Bylaws, and the Use Restrictions and Rules of the Association, as any of them may be supplemented or amended in the future (the "Governing Documents") create a general plan of development for the Properties that may be supplemented by additional covenants,

restrictions, and easements applicable to particular areas within the Properties. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants applicable to any portion of the Properties from containing more restrictive provisions than this Declaration.

1.3 **Master Declaration.** The Properties are subject to the Master Declaration (as defined herein). Each Owner, by acquiring title to a Unit is a member of the Master Association (as defined herein) and will be subject to all of the terms and conditions of the Master Declaration, as amended and supplemented from time to time. The Master Declaration contains certain rules, regulations and restrictions relating to the use of the Properties (including Units). Among the powers of the Master Association is the power to assess each Owner for assessments as set forth in the Master Declaration, including without limitation, for Base Assessments and Reserves, Special Assessments, Specific Assessments and other charges imposed by the Master Declaration, all as more particularly provided and defined in the Master Declaration, and to impose and foreclose liens upon each Unit in the event such assessments are not paid when due.

THE ASSOCIATION AND EACH OWNER SHALL BE BOUND BY AND COMPLY WITH THE MASTER DECLARATION. THE GOVERNING DOCUMENTS ARE SUBORDINATE AND INFERIOR TO THE MASTER DECLARATION. IN THE EVENT OF ANY CONFLICT BETWEEN THE MASTER DECLARATION AND THE GOVERNING DOCUMENTS, THE MASTER DECLARATION SHALL CONTROL.

1.4 **Club Plan.** Each Owner, by acquiring title to a Unit, is a member of the Club (as defined herein) and will be subject to all of the terms and conditions of the Club Plan (as defined in that certain Harmony Golf Preserve Club Plan attached to that certain First Amendment to Master Declaration for Lakes of Harmony recorded July 5, 2016, in Book 4986, Page 2778, Public Records of Osceola County, Florida), as amended and supplemented from time to time. Club Owner is responsible for operating and maintaining the Club (as defined in the Club Plan) and Club Facilities and administering the Club Plan. Club Facilities may be added, modified or deleted from time to time in accordance with the Club Plan. The Club Plan contains certain rules, regulations and restrictions relating to the use of the Club. Pursuant to the Club Plan, each Owner shall pay the Club Dues as set forth in the Club Plan. Club Owner may increase the number of Club members and users from time to time in accordance with the Club Plan. The Club shall be used and enjoyed by the Owners, on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the Club subject to the rules and regulations in the Club Plan. Each Owner shall be bound by and comply with the Club Plan attached to the Master Declaration.

THE ASSOCIATION AND EACH OWNER SHALL BE BOUND AND COMPLY WITH THE CLUB PLAN THAT IS INCORPORATED HEREIN BY REFERENCE. IN THE EVENT OF ANY CONFLICT BETWEEN THIS DECLARATION AND THE CLUB PLAN, THIS DECLARATION SHALL CONTROL.

1.5 **Site Plans and Plats.** The Plat(s) for the Properties may identify some of the Facilities or Common Areas. The description of the Facilities or Common Areas on the Plat is subject to change and the notes on the Plat are not a guarantee of what improvements will be constructed as Facilities or Common Areas. Site plans used by Declarant and Builders in their marketing efforts may illustrate the types of improvements that may be constructed on the Common Areas or Facilities but such site plans are not a guarantee of what improvements will actually be constructed. Each Owner should not rely on the Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Declarant and Owners with respect to the Common Areas and Facilities.

1.6 **Restrictions Affecting Occupancy and Alienation.** The covenants, conditions and restrictions of this Declaration set forth in Article IV (the "Occupancy and Alienation Restrictions") shall run with and bind the land and shall inure to the benefit of and be enforceable by the Declarant, the Association, any aggrieved Owner and their respective legal representatives, heirs, successors and assigns.

RESTRICTIONS AFFECTING ON OCCUPANCY AND ALIENATION

4.1 Restrictions on Occupancy. Subject to the rights reserved to Declarant in Section 10.20, the Units within NORTH LAKES OF HARMONY are intended for the housing of persons fifty-five (55) years of age or older. The provisions of this Section 4.1 are

intended to be consistent with and are set forth in order to comply with the Fair Housing Amendments Acts, 42 U.S.C. '3601 et seq. (1988), as amended, the exemption set out in 42 U.S.C. '3607 (b)(2)(C) and the regulations promulgated thereunder (collectively, as may be amended, the "Act") allowing discrimination based on familial status. Declarant or the Association, acting through the Board, shall have the power to amend this Section, without the consent of the members or any Person except Declarant, for the purpose of maintaining the age restriction consistent with Act, the regulations adopted pursuant thereto and any related judicial decisions in order to maintain the intent and enforceability of this Section.

(a) Each Occupied Unit shall at all times be Occupied by at least one (1) natural person fifty-five (55) years of age or older; however, in the event of the death of a person which was the sole Occupant fifty-five (55) years or older of a Unit, any Qualified Occupant may continue to Occupy the same Unit as long as the provisions of the Act are not violated by such Occupancy.

(b) No natural person under the age of nineteen (19) shall Occupy a Unit.

(c) Nothing in this Article IV shall restrict the ownership of or transfer of title to any Unit; provided, no Owner under the age of fifty-five (55) may Occupy a Unit unless the requirements of this Article IV are met nor shall any Owner permit Occupancy of the Unit in violation of this Article IV. Owners shall be responsible for including a statement that the Units within NORTH LAKES OF HARMONY are intended for the housing of persons fifty-five (55) years of age or older, as set forth in this Article IV, in conspicuous type in any lease or other occupancy agreement or contract of sale relating to such Owner's Unit, which agreements or contracts shall be in writing and signed by the lessee or purchaser and for clearly disclosing such intent to any prospective lessee, purchaser, or other potential Occupant. Every lease agreement for a Unit shall provide that failure to comply with the requirements and restrictions of this Article IV shall constitute a default under the lease agreement.

(d) Any Owner may request in writing that the Board make an exception to the requirements for an Age-Qualified Occupant of this Article IV with respect to a Unit, based on documented hardship. The Board may, but shall not be obligated to, grant exceptions in its sole discretion, provided that all of the requirements of the Act would still be met.

(e) In the event of any change in Occupancy of any Unit, as a result of a transfer of title, a lease or sublease, a birth or death, change in marital status, vacancy, change in location, or otherwise, the Owner of the Unit shall immediately notify the Board in writing and provide to the Board the names and ages of all current Occupants, of the Unit and such other information as the Board may reasonably require to verify the age of each Occupant required to comply with the Act. In the event that an Owner fails to notify the Board and provide all required information within ten (10) days after a change in Occupancy occurs, the Association may levy monetary fines against the Owner and the Unit for each day after the change in Occupancy occurs until the Association receives the required notice and information, regardless of whether the Occupants continue to meet the requirements of this Article IV, in addition to all other remedies available to the Association under this Declaration and Florida Law.

4.2 Monitoring Compliance, Appointment of Attorney-in-Fact. The Association shall be responsible for maintaining records to support and demonstrate compliance with the Act. The Board shall adopt policies, procedures and rules to monitor and maintain compliance with this Article IV and the Act, including policies regarding visitors, updating of age records, the granting of exemptions to compliance and enforcement. The Association shall periodically distribute such policies, procedures and rules to the Owners and make copies available to Owners, their lessees and Mortgagees upon reasonable request.

4.3 Enforcement. The Association may enforce this Article IV by any legal or equitable manner available, as the Board deems appropriate, including, without limitation, conducting a census of the Occupants of Units, requiring that copies of birth certificates or other proof of age for one (1) Age-Qualified Occupant per Unit be provided to the Board on a periodic basis, and taking action to evict the Occupants of any Unit that do not comply with the requirements and restrictions of this Article IV. The Association's records regarding individual members shall be maintained on a confidential basis and not provided except as legally required to governing authorities seeking to enforce the Act. Each Owner shall fully and truthfully respond to any Association request for information regarding the Occupancy of Units which, in the Board's judgment, is reasonably necessary to monitor compliance with this Article IV. Each Owner hereby appoints the Association as its attorney-in-fact for the purpose of taking legal

or equitable action to dispossess, evict, or otherwise remove the Occupants of any Unit as necessary to enforce compliance with this Article IV.

4.4 **Compliance.** Each Owner shall be responsible for ensuring compliance of its Unit with the requirements and restrictions of this Article IV and the Association rules adopted hereunder, by itself and by its lessees and other Occupants of its Unit. Each Owner, by acceptance of title to a Unit, agrees to indemnify, defend and hold Declarant, and affiliate of Declarant and the Association harmless from any and all claims, losses, damages and causes of action which may arise from failure of such Owner's Unit to so comply. Such defense costs shall include, but not be limited to, attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal.

ARTICLE V
MAINTENANCE, REPAIR AND REPLACEMENT OBLIGATIONS

5.1 **Maintenance by the Association.**

(a) Except as otherwise specifically provided in this Declaration to the contrary, the Association shall at all times maintain, repair, replace and insure the Common Areas and all improvements placed thereon.

(b) The roadways within the Properties shall be private roadways and shall be maintained by the Association and the costs thereof shall be paid by the Owners as part of the Operating Expenses. The Common Areas may contain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces forming a part of the Common Areas. Although pavement appears to be durable material, it requires maintenance. The Association shall have the right, but not the obligation, to arrange for periodic inspections of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work.

(c) Declarant may install a controlled access facility (the "Access Control System") at one or more access points within the LAKES OF HARMONY (as defined in the Master Declaration). If provided, all costs associated with any Access Control System will be part of the operating expenses of the Association. Declarant hereby reserves for itself, and its contractors and suppliers, their respective agents and employees, and any prospective purchasers of Units from Declarant or Builders, an easement for free and unimpeded access through any such Access Control System, subject only to such controls and restrictions as are agreed to in writing by Declarant. If the Association attempts to restrict or control access into the Properties through means not approved by the Declarant, the Declarant may take any and all measures necessary to eliminate same, including disabling any entry system during any hours desired by the Declarant, and the Declarant shall have no liability in this regard. The rights reserved hereunder shall extend beyond the Class "B" Control Period.

DECLARANT, CLUB OWNER, THE CDD, THE MASTER ASSOCIATION AND THE ASSOCIATION SHALL NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE ADEQUATE ACCESS CONTROL OR INEFFECTIVENESS OF ACCESS CONTROL MEASURES UNDERTAKEN. EACH AND EVERY OWNER AND THE OCCUPANT OF EACH UNIT ACKNOWLEDGES THAT DECLARANT, CLUB OWNER, THE CDD, THE MASTER ASSOCIATION AND THE ASSOCIATION, AND THEIR EMPLOYEES, AGENTS, MANAGERS, DIRECTORS AND OFFICERS, ARE NOT INSURERS OF OWNERS OR UNITS, OR THE PERSONAL PROPERTY LOCATED WITHIN UNITS. DECLARANT, CLUB OWNER, THE CDD, THE MASTER ASSOCIATION AND THE ASSOCIATION SHALL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM ANY CASUALTY OR INTRUSION INTO A UNIT.

(d) Association shall, if required by amendment to this Declaration or any document of record, maintain vegetation, landscaping, irrigation systems, community identification/features and/or other areas or elements designated by Declarant (or by the Association after the expiration of the Class "B" Control Period) upon areas that are within or outside of the Properties. Such area may abut, or be proximate to, the Properties and may be owned by, or dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public

streets, roads, drainage areas, community identification or entrance features, community signage or other identification. To the extent there is any agreement between the Association and any Person for the maintenance of any lakes or ponds outside of the Properties, the Association shall maintain the same and the costs thereof shall be paid by Owners as part of the Operating Expenses. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the members of the Association if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

5.2 Unit Maintenance Obligations. Except as otherwise provided in this Section 5.2, all Units, including without limitation, all driveways, walkways, landscaping and any property, structures, improvements and appurtenances not maintained by the Association, shall be well maintained and kept in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of NORTH LAKES OF HARMONY by the Owner of the applicable Unit. In the event a Unit is not maintained by the Owner of the Unit in accordance with the requirements of this Section 5.2, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner. Each Owner by acceptance of a deed to their Unit grants the Association an easement over his or her Unit for the purpose of ensuring compliance with the requirements of this Section 5.2. In the event an Owner does not comply with the Section 5.2, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as a Specific Assessment. The Association shall have the right to enforce this Section 5.2 by all necessary legal action. In the event the Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 5.2, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal.

(a) Each Owner by acceptance of a deed to their Unit, authorizes the Association to conduct additional landscape maintenance, repair or replacement in the Association's sole discretion (and provided that the Association is not obligated to conduct such additional landscape maintenance, repair or replacement) if, in the discretion of the Board, such additional maintenance is required for any reason whatsoever, including without limitation, naturally occurring deterioration of the landscaped areas or Owner neglect. The costs associated with any such additional landscape maintenance shall be assessed against the respective Unit as a Specific Assessment. In the event an Owner modifies the landscape as initially installed by the Declarant or a Builder, then such Owner shall be solely responsible for the maintenance of such modified landscaping; provided, however any such modification shall be approved by the Reviewing Entity in accordance with the provisions of the Master Declaration.

(b) Each Owner shall be responsible for maintenance, repair and replacement of damaged piping, sprinkler heads, valves or other components of each Unit's irrigation systems, as well as repair and replacement of the irrigation controller and rain sensor located within their respective Unit. In the event the damaged piping, sprinkler heads, valves or other components of each Unit's irrigation system, irrigation controller and rain sensor are not repaired and replaced by the Owner of the applicable Unit, the Association may, but not be obligated to, repair and replace such systems and components on behalf of the Owner. The costs and expenses of such repairs and replacements plus Twenty-Five and no/100 Dollars (\$25.00) (or such other amount determined by Association in its sole and absolute discretion) shall be assessed against the respective Unit as a Specific Assessment.

(c) Each Owner of a Unit shall be responsible to timely repair, maintain and/or replace the driveways and walkways comprising part of a Unit. In the event the County or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway or walkway for the installation. Repair, replacement or maintenance of utilities, then the Owner of the applicable Unit will be responsible to replace or repair the driveway or walkway at such Owner's expense. In the event an Owner does not comply with this Section, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as a Specific Assessment.

(d) In the event an Owner installs a gated or enclosed fence upon their Unit, as approved by the Reviewing Entity, which impedes or restricts the Association's access to the Unit, then the Owner shall be solely responsible for maintenance, repair and replacement of any landscaping and irrigation facilities located within the Owner's Unit, or any portion thereof that becomes inaccessible to the Association, and the Association shall have no responsibility for the same. In the event an Owner installs a gated or enclosed fence upon their Unit which impedes or restricts the Association's access to the Unit and the Association is no

longer required to maintain such Unit in accordance with this Section 5.2, the Owner of such Unit shall not be entitled to any discount, refund or abatement of assessments, or any other fees, as a result of the reduced maintenance obligations of such Owner's Unit.

5.3 Private Right of Way. The Association shall maintain, mow, irrigate, prune and replace all landscaping (including, without limitation, all sod and trees) lying within the private right-of-way of adjacent private streets, between the Unit boundary and the curb of such private street and between the Unit boundary and any adjacent easements for pedestrian paths or sidewalks.

5.4 Responsibility for Insurance, Repair and Replacement.

(a) Each Owner shall be responsible for obtaining and maintaining property insurance on all insurable improvements with his or her Unit.

(b) Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with an IAAR (as defined in the Master Declaration) or Article IV of the Master Declaration, whichever is applicable (the "Required Repair"). Alternatively, the Owner may elect to clear the Unit of all debris and ruins and maintain the Unit in a neat and attractive, landscaped condition consistent with the Community-Wide Standard (the "Required Demolition"). The Owner shall pay any costs which are not covered by insurance proceeds. If an owner elects to perform the Required Repair, such Work must be commenced within thirty (30) days of the Owner's receipt of the insurance proceeds respecting such Unit and the Required Repair must be completed within six (6) months from the date of the casualty or such longer period of time established by the Board in its sole absolute discretion, subject to extension if required by law. If an Owner elects to perform the Required Demolition, the Required Demolition must be completed within six (6) months from the date of the casualty or such longer period of time established by the Board in its sole and absolute discretion, subject to extension if required by law. If an Owner elects to perform the Required Repair, such reconstruction and/or repair must be completed in a continuous, diligent, and timely manner. Without limiting any other provision of this Declaration or the Powers of the Association, the Association shall have a right to bring an action against an Owner who fails to comply with the foregoing requirements. By way of example, the Association may bring an action against an Owner who fails to either perform the Required Repair or Required Demolition on his or her Unit within the time periods and in the manner provided herein. Each Owner acknowledges that the issuance of a building permit or a demolition permit in no way shall be deemed to satisfy the requirements set forth herein, which are independent of, and in addition to, any requirements for completion of Work or progress requirements set forth in applicable statutes, zoning codes and/or building codes.

(c) Additional recorded covenants applicable to any portion of the Properties may establish more stringent requirements for insurance and more stringent standards for rebuilding or reconstructing structures on the Units within such portion of the Properties and for clearing and maintaining such Units in the event the structures are not rebuilt or reconstructed.

(d) Notwithstanding any provision to the contrary contained herein or in any other Governing Document, neither the Association nor the Declarant shall be responsible for ensuring or confirming compliance with the insurance provisions contained herein, it being acknowledged by all Owners of Units that such monitoring would be unnecessarily expensive and difficult. Moreover, neither the Association nor the Declarant shall be liable in any manner whatsoever for failure of a Unit Owner to comply with this Section 5.4.

(e) In the event of damage to the Club, the responsibility for reconstruction shall be as provided in the Club Plan.

5.5 Standard of Performance. Maintenance, as used in this Article V, shall include, without limitation, repair and replacement as needed, as well as such other duties, which may include irrigation, as the Board may determine necessary or appropriate to satisfy the Community-Wide Standard. All maintenance and irrigation shall be performed in a manner consistent with the Community-Wide Standard.

5.6 Enforcement. In addition to any other enforcement rights, if an Owner fails to properly perform his, her or its maintenance responsibilities under this Article V, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association as a result thereof against the benefited Unit(s) and its Owner(s) as a Specific Assessment in accordance with Section 8.5. The right of the Association to enter any Unit to perform such maintenance is granted to the Association pursuant to Section 11.5 hereof. The Association shall provide the Owner or at least fourteen (14) days' notice and opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.7 Surface Water Management System. The Properties include various drainage retention/detention areas and facilities that are part of the SWMS. These drainage structures are part of the overall drainage plan for the Properties. The CDD shall have unobstructed ingress to and egress from all retention/detention facilities at all reasonable times to maintain said facilities in a manner consistent with its responsibilities as provided herein and any rules and regulations promulgated by the CDD. No Owner shall cause or permit any interference with such access or maintenance. The CDD shall be responsible for the maintenance, operation and repair of the SWMS. Maintenance of the SWMS shall mean the exercise practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by SFWMD. Any repair or reconstruction of the SWMS shall be as permitted or, if modified, as approved in writing by the SFWMD. The Association shall not be responsible for the maintenance of the SWMS unless such maintenance obligation is addressed in a Supplemental Declaration or by amendment to this Declaration.

NEITHER THE DECLARANT, THE CDD, THE MASTER ASSOCIATION NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE RETENTION/DETENTION AREAS WITHIN THE PROPERTIES; PROVIDED, FURTHER, NEITHER THE DECLARANT, THE CDD, THE MASTER ASSOCIATION NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT, THE CDD, THE MASTER ASSOCIATION AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A UNIT, EACH OWNER ACKNOWLEDGES THE WATER LEVELS OF ALL RETENTION/DETENTION AREAS MAY VARY. THERE IS NO GUARANTEE BY DECLARANT, THE CDD, THE MASTER ASSOCIATION OR THE ASSOCIATION THAT WATER LEVELS OR RETENTION/DETENTION AREAS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. DECLARANT THE CDD, THE MASTER ASSOCIATION AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION/DETENTION AREAS WITHIN THE PROPERTIES.

5.8 Swale Maintenance. The Properties may include drainage swales within certain Units for the purpose of managing and containing the flow of excess surface water, if any, found upon such Units. Each Owner, including Builders, shall be responsible for the maintenance, operation and repair of the swales on the Unit. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, that allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by SFWMD. Filing, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited. No alteration of the drainage swale shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Owner(s) of the Unit(s) upon which the drainage swale is located.

5.9 Public Facilities. The Properties may include one or more facilities that may be dedicated to the County.

5.10 Removal of Landscaping. Without the prior written consent of the Reviewing Entity, which may be denied by the Reviewing Entity in its sole discretion, no sod, topsoil, tree or shrubbery shall be removed from any Unit and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of any Unit. Notwithstanding the foregoing, Owners who install improvements to the Unit with the approval of the Reviewing Entity that result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs, each Owner agrees to reimburse CDD for all expenses incurred in fixing such drainage problems including, without limitation, removing excess water and/or repairing the SWMS.

5.11 Exterior Home Maintenance. Each Owner is solely responsible for the proper maintenance and cleaning of the exterior walls of his or her Unit. Exterior walls are improved with a finish material composed of stucco or cementitious coating (collectively, "Stucco/Cementitious Finish"). While Stucco/Cementitious Finish is high in compressive or impact strength, it is not of sufficient tensile strength to resist building movement. It is the nature of Stucco/Cementitious Finish to experience some cracking and it will expand and contract in response to temperature, sometimes creating minor hairline cracks in the outer layer of the stucco application. This is normal behavior and considered a routine maintenance item for the Owner. Each Owner is responsible to inspect the Stucco/Cementitious Finish to the exterior walls for cracking and engage a qualified professional to seal those cracks and repair the affected area. In addition, each Owner is responsible for inspecting the exterior paint and caulk material in the exterior wall system openings (i.e. windows, doors, hose bibs, etc.) for peeling, cracking or separating. If the inspection reveals any such items, the Owner is responsible for engaging a qualified professional to clean, repair, re-caulk and repaint those areas of the Unit. Each Owner is responsible for all maintenance and repairs described in this Section 5.11, and they should be completed in a timely fashion to prevent damage to the Unit.

5.12 Water Body Slopes. The CDD Facilities and the rear yard of some Units may contain water body slopes. All such water body slopes will be regulated and maintained by the CDD. The Declarant hereby grants the CDD an easement of ingress and egress across all Units adjacent to water body areas for the purpose of regulating and maintaining such water body slopes. The CDD may establish from time to time maintenance standards for the water body slope maintenance by Owners who own Units adjacent to water bodies ("Water Body Maintenance Standards"). Such standards may include requirements respecting compaction and strengthening of banks. The CDD shall have the right to inspect such water body slopes and banks to insure that each Owner has complied with its obligations hereunder and under the Water Body Slope Maintenance Standards. Each Owner hereby grants the Association and the CDD an easement of ingress and egress across his or her Unit to all adjacent water body areas for the purpose of ensuring compliance with the requirements of this provision and the Water Body Slope Maintenance Standards. For the purposes of this Declaration, each day that an Owner fails to comply with the requirements of this paragraph or any Water Body Slope Maintenance Standards shall be deemed a separate and independent violation of this Declaration.

ARTICLE VI

THE ASSOCIATION AND ITS MEMBERS

6.1 Function of the Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Common Area. The Association shall be the primary entity responsible for enforcement of this Declaration, each Supplemental Declaration, the Articles of Incorporation, the Bylaws, and such Use Restrictions and Rules of the Association as may be adopted from time to time.

6.2 Membership.

(a) Every Owner shall be a Member of the Association. There shall be only one (1) vote per Unit. If a Unit is owned by more than one (1) Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in the Bylaws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The vote for any Unit shall be exercised as such Persons determine, but in no event shall more than one (1) vote be cast with respect to any Unit.

(b) The membership rights and privileges of an Owner who is a natural person may be exercised by the Member or the Member's spouse. The membership rights of an Owner that is a corporation, partnership or other legal entity may be exercised by an officer, director, partner or trustee, or by any other individual designated from time to time by the Owner in a written instrument provided to the secretary of the Association.

6.3 Classes of Membership and Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

(a) Class "A" Members shall all be Owners, including Builders, but excluding the Declarant, except as provided in Subsection 6.3(b). Each Class "A" Member shall have one (1) vote for each Unit owned; provided, however, there shall only be one (1) vote

per Unit. Notwithstanding the foregoing, no votes shall be exercised on account of any property which is exempt from assessment under Section 8.9.

(b) The sole Class "B" Member shall be Declarant. Prior to termination of the Class "B" Membership, the Class "B" Member shall have nine (9) votes for each Unit that it owns. Upon termination of the Class "B" Membership, the Declarant shall be a Class "A" Member, if it owns any Units, and shall be entitled to one (1) Class "A" vote for each Unit that it owns. In addition, Declarant's consent shall be required for various actions of the Board, membership and committees as specifically provided elsewhere in the Governing Documents. The Class "B" Control Period shall terminate when the Declarant is no longer permitted under Chapter 720, Florida Statutes (2022), to appoint a majority of the members of the Board of Directors or such earlier date when, in its discretion, the Class "B" Member so determines and declares in a recorded instrument. After termination of the Class "B" Control Period, Declarant shall continue to have a right to disapprove certain actions of the Association, the Board, and any committee, as provided in the Governing Documents.

6.4 Exercise of Voting Rights. If there is more than one (1) Owner of a particular Unit, the vote for such Unit shall be exercised as such co-Owners determine among themselves and advise the secretary of the Association in writing prior to the close of balloting. Absent such advice, the Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

ARTICLE VII

ASSOCIATION POWERS AND RESPONSIBILITIES

7.1 Acceptance and Control of the Association Property. The Association may acquire, hold and dispose of tangible and intangible personal property and real property. Declarant and its designees may convey to the Association improved or unimproved real estate located within the Properties, personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained as Common Area by the Association at its expense for the benefit of its members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association.

7.2 Maintenance of Common Area and Area of Common Responsibility.

(a) Except to the extent that responsibility therefor has been assigned to or assumed by the CDD, or the Owners of adjacent Units, the Association shall maintain, manage and control the Common Area and Area of Common Responsibility, and all improvements thereon (including, without limitation, furnishings, equipment, and common landscaped areas), and shall keep it in good clean, attractive, and sanitary condition, order, and repair, consistent with the Master Declaration, this Declaration and the Community-Wide Standard which shall include without limitation:

- (1) All landscaping and other flora, signage, structures, and improvements situated upon the Common Area;
- (2) Landscaping, sidewalks, streetlights and signage within public right-of-way within or abutting the Properties, and landscaping and other flora within any public utility easement within the Properties (subject to the terms of any easement agreement relating thereto), except to the extent that responsibility thereof has been assigned to or assumed by the CDD;
- (3) Such portions of any additional property as may be included within the Area of Common Responsibility pursuant to this Declaration, any Supplemental Declaration, or any agreement for maintenance entered into by the Association; and
- (4) Any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and some or all of its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revoke such privilege of use and enjoyment by written notice to the Association.

(b) There are hereby reserved to the Association easements over the Properties as necessary to enable the Association to fulfill its responsibilities under this Declaration. The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any reasonable periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs. However, the Association, action through the Board and without the approval of the membership, may temporarily close any portion of the Common Area and any street or roadway or portion thereof (subject to the Association obtaining all necessary governmental approvals) to control traffic or traffic flow, or to hold events, block parties, or for similar purposes without the approval of the Members.

(c) The Association may maintain other property which it does not own, including, without limitation, publicly-owned property and other property dedicated to public use, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(d) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Common Area and Area of Common Responsibility shall be an Operating Expense to be allocated among all Units as part of the Base Assessment, without prejudice to the right of the Association to seek reimbursement from the record title owner(s) thereof.

(e) After termination of the Class "B" Control Period, if the Association fails to properly perform its maintenance responsibilities hereunder, Declarant may, upon not less than ten (10) days' notice and opportunity to cure such failure, cause such maintenance to be performed and in such event, shall be entitled to reimbursement from the Association for all costs incurred, plus a ten percent (10%) fee for administrative costs incurred in performing such maintenance.

7.3 Insurance.

(a) Required Coverage. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(1) If the Common Area are located within an area that has special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program (NFIP), coverage in appropriate amounts, available under NFIP for all buildings and other insurable property within any portion of the Common Areas located within a designated flood hazard area;

(2) Commercial general liability insurance coverage providing coverage and limits deemed appropriate. Such policies must provide that they may not be cancelled or substantially modified by any party, without at least thirty (30) days' prior written notice to Declarant (until the expiration of the Class "B" Control Period) and the Association.

(3) Each member of the Board shall be covered by directors and officers liability insurance in such amounts and with such provisions as approved by the Board;

(4) Fidelity insurance covering all persons responsible for handling Association funds in an amount determined in the Board's best business judgment. Fidelity insurance policies shall include coverage for officers, directors and other persons serving without compensation.

(5) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance, boiler and machinery insurance and building ordinance coverage.

(6) Premiums for all insurance on the Area of Common Responsibility shall be Operating Expenses and shall be included in the Base Assessment.

7.4 Policy Requirements.

- (a) All Association policies shall provide for a certificate of insurance to be furnished to the Association.
- (b) The policies may contain a reasonable deductible. In the event of an insured loss to an Area of Common Responsibility, the deductible shall be treated as an Operating Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with Section 15.5 of this Declaration, that the loss is the result of the negligence or willful misconduct of one (1) or more Owners, their guests, invitees or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Unit(s) pursuant to Section 8.5.
- (c) The policies described in Section 7.3 also shall name Declarant and its partners, officers, directors, employees and agents as additional insureds.
- (d) Prior to the expiration of the Class "B" Control Period, the Declarant shall have the right, at Association's expense, to provide insurance coverage under its master insurance policy in lieu of any of the required coverage.

7.5 Damage and Destruction.

- (a) Immediately after damage or destruction to all or any part of the Properties covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this paragraph means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.
- (b) Any damage to or destruction of the Common Area shall be repaired or reconstructed unless Members representing at least seventy-five percent (75%) of the total Class "A" Voting Interests and the Class "B" Member, if any, decide within sixty (60) days after the loss not to repair or reconstruct.
- (c) If either insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such sixty (60) day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.
- (d) If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.
- (e) Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association.
- (f) If insurance proceeds received, after application of any applicable deductible, are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, subject to applicable law, levy Special Assessments to cover the shortfall.

7.6 [INTENTIONALLY OMITTED]

- 7.7 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration, the Articles of Incorporation, the Bylaws, or Florida law, along with such rights and privileges which are reasonably necessary to effectuate any such right or privilege and, except as otherwise specifically provided in this Declaration, the Articles of Incorporation, the Bylaws or by Florida law, all rights and powers of the Association may be

exercised by the Board without a vote of the membership unless any such right has been reserved to the membership anywhere else in the Governing Documents.

7.8 Indemnification of Officers, Directors and Others.

- (a) The Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that such obligation to indemnify shall be limited with respect to those actions as to which liability is limited under this Section or Florida law.
- (b) The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made or action taken, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association) and the Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Association shall, as an Operating Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.
- (c) Each Owner shall indemnify and hold harmless the Association from any loss, damages, and expenses, including counsel fees, which they may incur as a result of the failure of such Owner, any occupant of such Owner's Unit, or any contractor, subcontractor, vendor, employee, or agent of such Owner acting within the scope of his contract, agency or employment to comply with this Declaration, any Supplemental Declaration or other covenants applicable to such Owner's Unit, the Design Guidelines, Bylaws and Rules of the Association. By way of example and not limitation, an Owner shall be responsible for damages caused to any Common Area or other property owned by the Association by any such occupant, contractor, subcontractor, vendor, employee, or agent of such Owner whether such damages were caused by the negligence of such Persons or not.

7.9 Enhancement of Safety.

- (a) THE ASSOCIATION MAY, BUT SHALL NOT BE OBLIGATED TO, MAINTAIN OR SUPPORT CERTAIN ACTIVITIES WITHIN THE PROPERTIES DESIGNED TO ENHANCE THE SAFETY OF THE PROPERTIES. THE ASSOCIATION, THE MASTER ASSOCIATION, CLUB OWNER AND DECLARANT SHALL NOT IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY OR SAFETY WITHIN THE PROPERTIES, NOR SHALL ANY OF THEM BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY, ACCESS CONTROL OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. NO REPRESENTATION OR WARRANTY IS MADE THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEMS OR MEASURES CANNOT BE COMPROMISED OR CIRCUMVENTED, NOR THAT ANY SUCH SYSTEMS OR SECURITY MEASURES UNDERTAKEN WILL IN ALL CASES PREVENT LOSS OR PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER ACKNOWLEDGES, UNDERSTANDS AND COVENANTS TO INFORM ITS TENANTS THE DECLARANT, CLUB OWNER, THE MASTER ASSOCIATION, AND THE ASSOCIATION, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, AND REPRESENTATIVES ARE NOT INSURERS OF OWNERS OR UNITS, OR THE PERSONAL PROPERTY LOCATED WITHIN UNITS AND THAT EACH PERSON USING THE PROPERTIES ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS AND TO THE CONTENTS OF UNITS RESULTING FROM ACCIDENTS, ACTS OF GOD AND ACTS OF THIRD PARTIES.
- (b) From time to time, the Association may elect to install video monitoring, alarms and alarm monitoring devices and/or to contract with third parties for the installation, maintenance and/or monitoring of alarms (any such party being referred to herein as a "Third-Party Alarm Company") in Common Area improvements, Exclusive Common Area, and other improvements

where the Association has agreed to assume certain maintenance responsibilities. Notwithstanding the foregoing, the Association shall have no liability or responsibility to any Owner, tenant, Resident, Occupant, invitee or guest in the event that such person or entity sustains any injury, damage or loss as a result of any failure of such alarm or alarm monitoring device, or of any Third-Party Alarm Company, nor shall any Owner have any right to bring separate action against any Third-Party Alarm Company for any failure of such Third-Party Alarm Company, or the facilities or systems installed and monitored by such company, to appropriately monitor or function in connection with such loss. Each Owner, by taking title to any of the Properties, hereby agrees on their own behalf, and on behalf of their guests, tenants, invitees and any other persons that may be present on their property from time to time, to indemnify the Association, and further waives and releases any right to bring suit or other action against the Association or any Third-Party Alarm Company. Each Owner shall include in any lease otherwise permitted by the terms of this Declaration similar language to that contained within this Section, or a specific reference to the provisions of this Section, such that such Owner's tenant acknowledges and agrees to be bound by the provisions of this Section; provided, however, failure to do so shall in no way limit the terms of this Section.

(c) The Association, with or without notice may (but shall not be obligated to) install and operate video surveillance equipment on any portion of the Common Area at any time, the only exception being private areas of restrooms, showers, and dressing rooms. Each Owner, on their own behalf and behalf of all of their guests and invitees, by acceptance of a deed for a Unit, consent to such video surveillance.

7.10 Community Publications. From time to time, the Association may elect to public news articles and photographs of Owners, Residents, Occupants, tenants and their guests in community newspapers, online newsletters and websites and other publications intended to provide general information to the Owners, Residents, Occupants, tenants and business owners within NORTH LAKES OF HARMONY. By virtue of having elected to acquire, lease or Occupy property in NORTH LAKES OF HARMONY, all Owners, Residents, Occupants, tenants, invitees, contractors and guests are deemed to have consented to the use, publication and distribution of their photographs in any of the aforementioned media that the Association may elect to publish or distribute from time to time.

ARTICLE VIII **ASSOCIATION FINANCES**

8.1 Budgeting and Allocating Operating Expenses.

(a) The Board shall prepare a budget annually covering the estimated Operating Expenses during the coming year. The Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Base Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the "Reserves"). Reserves, if established, shall be established in accordance with Section 8.3.

(b) The Association is hereby authorized to levy Base Assessments against Units to fund the Operating Expenses and Reserves, if any. The Base Assessment shall be set at a level that is reasonably expected to produce total income for the Association equal to not less than the total budgeted Operating Expenses and Reserves, if any. In determining the total funds to be generated through Base Assessments, the Board, in its discretion, may consider other sources of funds available to the Association. The Board shall take into account the number of Units subject to assessment under Section 8.6 on the first day of the fiscal year for which the budget is prepared and may consider the number of Units reasonably anticipated to become subject to assessment during the fiscal year. As Vacant Units (as defined herein) may not receive certain services, Units and Vacant Units shall not be assessed uniformly.

(c) The Board shall send a notice of the amount of the Base Assessment for the following year to each Owner prior to the beginning of the fiscal year for which it is to be effective, or prior to the effective date of any budget amendment. The Board shall provide a copy of the budget or amended budget to any Owner upon written request by such Owner.

(d) If the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year, increased by five percent (5%), shall continue for the current year.

(e) The Board shall have the right, without affirmative vote or written consent of the Owners, to (i) spend the full amount budgeted for any particular line item in the budget; (ii) spend more or less than what was budgeted; and (iii) shift revenues within the budget from one line to another; provided any such change does not increase the Base Assessment.

(f) Base Assessments and Special Assessments shall be uniform for all Units. Notwithstanding anything to the contrary contained in the Governing Documents, by subject to the rights of Declarant pursuant to Section 8.13 of this Declaration, any Unit that does not have a residence for a single family constructed thereon as evidenced by a Certificate of Occupancy (a "Vacant Unit") shall be responsible for only twenty percent (20%) of a Base Assessments and Special Assessments assessed to Units (other than Vacant Units), which lesser assessment amount reflects that such Vacant Units will not benefit from all maintenance and other services provided by the Association. At such time as a residence for a single family is constructed on a Vacant Unit, as evidenced by a Certificate of Occupancy, then the Vacant Unit shall be deemed a fully assessed Unit and shall be responsible for one-hundred percent (100%) of Base Assessments and Special Assessments, except as otherwise provided herein. The Vacant Unit assessments shall be additional income to the Association and Vacant Units shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserve (if any), unless otherwise determined by the Declarant in its sole and absolute discretion.

8.2 Intentionally deleted.

8.3 Intentionally deleted.

8.4 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted or unanticipated expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against the entire membership, if such Special Assessment is for Operating expenses. After termination of Class "B" Control Period, no vote of the Owners shall be required for such Special Assessment (or for any other assessment) except to the extent specifically provided herein. During The Class "B" Control Period, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Class "A" Voting Interests present (in person or by proxy) at a duly called meeting of the Members. In no event, however, shall Declarant pay Special Assessments.

8.5 Specific Assessment.

(a) The Board shall have the power to levy Specific Assessments against a particular Unit or Units constituting less than all Units within the Properties, as follows:

(1) To cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Unit or Occupants thereof upon request of the Owner pursuant to a menu of special services that the Board may from time to time authorize to be offered to Owners (which might include, without limitation, landscape maintenance, handyman service, pool cleaning, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner;

(2) To cover costs incurred in bringing the Unit into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner, tenants or Occupants of the Unit, their licensees, invitees, or guests; provided the Board shall give the Unit Owner prior written notice and an opportunity for a hearing before levying any Specific Assessment under this Subsection (2), in compliance with Section 15.5 of this Declaration; and

(3) To cover any other costs permitted from time to time in this Declaration to be charged and collected as a Specific Assessment.

(b) In no event shall Declarant pay Specific Assessments and the Board shall not be authorized to levy Specific Assessments against Declarant-owned Units.

8.6 Authority to Assess Owners; Time of Payment; Allocations of Number of Units on Vacant Land.

(a) The obligation to pay assessments shall commence as to each Unit on the first day the Unit is conveyed by the Declarant, or an affiliate of Declarant, to an Owner other than the Declarant or its affiliates. The first annual Base Assessment levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Unit.

(b) All assessments on behalf of the Association shall be levied and collected by the Board. Assessments shall be paid in such manner and on such dates as the Board may establish. Unless the Board otherwise provides, the Base Assessment shall be due and payable quarterly and in advance on the first day of each calendar quarter.

8.7 Personal Obligation.

(a) Each Owner, by accepting a deed for any portion of the Properties, is deemed to covenant and agree to pay all assessments authorized in this Declaration. All assessments, together with interest from the due date of such assessment at a rate not to exceed the highest rate permitted by Florida law, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month (or such greater amount established by the Board from time to time), costs, and reasonable attorneys' fees, legal expenses and paralegals' fees, shall be a charge and continuing lien upon each Unit against which the assessment is made until paid, as more particularly provided in Section 8.8. Each such assessment together with the above described interest, late charges, costs, and reasonable attorney's fees, legal expenses and paralegals' fees, also shall be the personal obligation of the Person who was the record title owner of such Unit at the time the assessment became due. Upon a transfer of title to a Unit the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance, except in the event of a sale or transfer of a Unit pursuant to the foreclosure of a Mortgage (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Mortgagee, in which event, the acquirer of the title shall be liable for assessments that became due prior to such sale or transfer to the extent and in such amounts as provided in Section 720.3085, Florida Statutes (2022). Such unpaid assessments shall be deemed to be Operating Expenses collectible from Owners of all Units subject to assessment. For purposes of this Subsection (a), the attorneys' fees, legal expenses and paralegals' fees and shall include reasonable fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction) and appeals.

(b) Failure of the Board to fix assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments.

(c) No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making or repairs or improvements, or from any other action taken by the Association.

(d) No Owner shall sell or convey its interest in a Unit unless all sums due to Association have been paid in full and an estoppel certificate shall have been received by such Owner. The Owner requesting the estoppel certificate shall be required to pay the Association a fee to cover the costs of examining records and preparing such estoppel certificate. Each Owner waives its rights (if any) to an accounting related to Operating Expenses and assessments.

8.8 Lien for Assessments.

(a) All assessments authorized in this Article and in this Declaration shall constitute a lien against the Unit or property against which they are levied until paid. The lien shall also secure payment of all interest, late charges and reasonable attorneys' fees, legal expenses and paralegals' fees as provided for in Section 8.7(a) above. All such liens shall be continuing liens upon the property against which each assessment is levied until paid and shall relate back to the recording date of this Declaration. Such liens shall be superior to all other liens, except (i) the lien for Master Association assessments as provided in the Master

Declaration, (ii) the liens of all taxes, bonds, assessments, including CDD assessments, and other governmental levies which by law would be superior, and (iii) the lien or charge of any first priority Mortgage of record made in good faith and for value.

(b) The Association may bid for a Unit at a foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit, which decisions shall be made by the Board without the need for membership approval. While a Unit is owned by the Association following foreclosure (i) no right to vote shall be exercised on its behalf; and (ii) no assessment shall be levied on it. The Association may sue for unpaid Operating Expenses and costs without foreclosing or waiving the lien securing the same.

(c) The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments.

(d) In the event of a default in the payment of any assessment, the Association may accelerate the assessments then due for up to the next ensuing twelve (12) month period.

(e) The lien rights created in this Declaration shall be for the benefit of the Master Association, the Association and the Club Owner, in that order of priority.

(f) Any and all payments received by the Association shall be applied (i) first to Master Association's assessments (unless collected by the Master Association directly from the Unit Owner), (ii) then to fines levied by the Association, then any accrued interest due to the Association, then to any late fees due to the Association, then to any legal expenses and costs due to the Association, then to any reasonable attorneys' or paralegals' fees incurred in collection (whether suit be filed or not) by the Association, and then to the delinquent assessment due to the Association, and (iii) lastly to Club Dues (unless collected by the Club Owner directly from the Unit Owner). The foregoing shall be applicable notwithstanding any restrictive endorsement designation, or instruction placed on or accompanying a payment.

8.9 Exempt Property. The following shall be exempt from payment of Base Assessments, and Special Assessments:

(a) All Common Area and any property that is included in the Area of Common Responsibility; and

(b) Any property dedicated to and accepted by any governmental authority or public utility, including any CDD.

8.10 [INTENTIONALLY OMITTED]

8.11 Collection from Tenants. If a Unit is occupied by a tenant and the Owner is delinquent in the payment of assessments, the Association may demand from the tenant payment to the Association of all monetary obligations due from such Owner, including without limitation, Master Association assessments (unless collected by the Master Association directly from the Unit Owner) and Club Dues (unless collected by the Club Owner directly from the Unit Owner). So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner; provided, however, if within fourteen (14) days from the written demand of the association, the tenant provided the Association with written evidence of making prepaid rent payments, the tenant shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

8.12 Declarant's Funding Obligations. Each Owner acknowledges that because Base Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Units conveyed to Owners on or prior to adoption of the association's budget, it is possible the Association may collect more or less than the amount budgeted for Operating Expenses and Reserves. Prior to the termination of the Class "B" Control Period, Declarant shall have the option to (i) pay any Operating Expenses incurred by the Association that exceed the assessments receivable from Owners (other than the Declarant) and other income of the Association, including without limitation, the Initial Contributions and Resale Contributions, late fees and interest (the "Deficit"), or (ii) pay Base Assessments on Units owned by Declarant at the applicable rate of Base Assessments established for Units, including Vacant Units, owned by Class "A" Members. Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay assessments if Declarant has elected to fund the

Deficit instead of paying assessments on Units or Vacant Units owned by Declarant, (ii) pay Special Assessments or Reserves, or (iii) fund deficits due to non-payment by delinquent Owners. Any surplus assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for the Deficit, and waiving its right to exclusion from assessments. Upon giving such notice, or upon the termination of Class "B" Control Period, whichever is sooner, each Unit owned by Declarant shall thereafter be assessed at the applicable rate of Base Assessments established for Units, including Vacant Units, owned by Class "A" Members. Under no circumstances shall Declarant be responsible for any Reserves or Special Assessments even after the termination of Class "B" Control Period. Declarant shall be assessed only for Units and Vacant Units that are subject to this Declaration. Upon transfer of title of a Unit owned by Declarant, the Unit shall be assessed in the amount established for Units owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS, AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO FUND DEFICITS IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SPECIFICALLY ELECTS TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES. AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES (2022), ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

(a) Any funds paid to the Association by Declarant prior to the date on which Declarant elects to, or is obligated to, pay assessments on Units then owned by Declarant that are then subject to this Declaration, shall be deemed applicable first, to any Deficit payments due from Declarant to the Association for any prior fiscal years, then to Deficit payments due from Declarant to the Association for the current fiscal year and then to Excess Funding (as hereinafter defined). For example, if in January, 2023 Declarant pays \$50,000.00 to the Association and, either at that time or subsequently, the Association determines that there was a Deficit of \$20,000 (not previously funded by Declarant), for fiscal year 2022, \$20,000 of the \$50,000 paid in January, 2023 by Declarant will be deemed paid to satisfy Declarant's \$20,000 Deficit funding obligation for 2022, and the \$30,000 balance will be deemed applicable first to any 2023 Deficit funding obligation of Declarant and any excess will be deemed Excess Funding by Declarant, as hereinafter provided.

(b) If Declarant elects to fund the Association's Deficit for any fiscal year, then any amounts paid by Declarant to the Association for such fiscal year in excess of the Deficit ("Excess Funding") shall be deemed to have been a loan to the Association to meet cash flow short falls and shall be repaid to Declarant within thirty (30) days after the end of such fiscal year, along with interest on such Excess Funding from the date advanced by Declarant until paid, calculated at the rate per annum equivalent to the prime Rate of Interest (or any equivalent successor thereto) announced by SunTrust Bank, N.A., or its successor, from time to time as its "Prime Rate." Declarant's obligations hereunder may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these. The Association is specifically authorized to enter into subsidy contracts and contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant or other entities.

8.13 Master Association Assessments. Pursuant to the Master Declaration, each Owner is obligated to pay assessments to the Master Association. The Association shall collect such assessments and remit same to the Master Association as required by the Master Declaration. The Association is responsible for collecting the Master Association's assessments from the Owners, and remitting the same to the Master Association, but is not liable for the payment of such assessments and acts solely as a collection agent for the Master Association. Notwithstanding any provision of this Declaration or Master Declaration to the contrary, the Master Association's assessments are not Operating Expenses of the Association.

ARTICLE IX EXPANSION OF THE COMMUNITY

9.1 Expansion by Declarant.

(a) Until forty (40) years after the recording of this Declaration, Declarant may annex (i.e. unilaterally subject to the provisions of this Declaration) additional lands to the Properties. Except as otherwise provided herein, prior to the termination of the Class "B" Control Period, only Declarant may add additional lands to the Properties.

(b) The annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property to be annexed and specifically subjecting it to the terms of this Declaration which may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Declarant as and may be necessary to reflect the different character, if any, of the annexed lands. Such Supplemental Declaration shall not require the consent of Members. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

9.2 Expansion by the Association.

(a) The Association may subject any real property to the provisions of this Declaration with the consent of the record title owner of such real property, fifty-one percent (51%) of the Class "A" Voting Interests present (in person or by proxy) at a duly called meeting of the Association, and the consent of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 9.1.

(b) Such annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the real property to be annexed and specifically subjecting it to the terms of this Declaration. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the record title owner of the annexed property, and by Declarant, if Declarant's consent is required. Any such Annexation shall be effective upon filing of such Supplemental Declaration unless otherwise provided therein.

9.3 Additional Covenants and Easements. Declarant may subject any portion of the property submitted to this Declaration to additional covenants and easements. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property, and shall require the written consent of the record title owner(s) of such property, if other than Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

ARTICLE X

ADDITIONAL RIGHTS RESERVED TO DECLARANT AND MATERIAL DISCLOSURES

10.1 Withdrawal of Property. So long as Declarant has the right to annex property pursuant to Section 9.1, Declarant reserves the right to withdraw any portion of the Properties from the coverage of this Declaration. Such withdrawal shall not require the consent of any Person other than the record title owner of the property to be withdrawn.

10.2 Right to Transfer or Assign Declarant Rights. Any and all of the special rights and obligations of Declarant set forth in the Governing Documents may be transferred in whole or in part to other Persons. Such assignment need not be recorded in the Public Records in order to be effective. The foregoing shall not preclude Declarant from permitting other Persons to exercise, on a one (1) time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to execute any written assignment unless necessary to evidence Declarant's consent to such exercise.

10.3 Right to use Common Area.

(a) Declarant hereby reserves the right, for so long as it owns any portion of the Properties, to maintain and carry on upon portions of the Common Area such facilities, activities and events as, in the sole opinion of Declarant, may be required, convenient, or incidental to the construction, sale or marketing of Units, including, but not limited to, business offices, signs,

model units, and sales offices. Declarant shall have easements for access to and use of such facilities. Declarant, during the course of construction on the properties, may use Common Area for temporary storage and for facilitating construction on the Properties. Declarant shall not be obligated to pay any use fees, rent or similar charges for its use of Common Area pursuant to this Section or otherwise. Declarant may grant to designees some or all of the rights reserved by it in this Subsection (a).

(b) Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

10.4 Right to Approve Additional Covenants. Except as provided in this Declaration, no Person shall record any declaration of covenants, conditions and restrictions, or declarations of condominium or similar instrument affecting any portion of the Properties without Declarant's review and prior written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by recorded consent signed by Declarant. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

10.5 Right to Approve Changes in Use Restrictions and Rules. Notwithstanding any provision to the contrary in this Declaration, no amendment to or modification of any Use Restrictions and Rules shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns any portion of the Properties, which approval shall not be unreasonably withheld.

10.6 Exclusive Right to Use the Name of the Development. No Person shall use the word "NORTH LAKES OF HARMONY" or any derivative thereof in the name of any building or any business or enterprise or in any printed or promotional material without Declarant's prior written consent. However, Owners may use the term "NORTH LAKES OF HARMONY" in printed or promotional materials solely to specify that particular property is located within NORTH LAKES OF HARMONY, and the Association shall be entitled to use the word "NORTH LAKES OF HARMONY" in its name.

10.7 Development Easement. In addition to the rights reserved elsewhere herein, Declarant reserves an easement for itself and its assigns, over, upon, across, and under the Properties as may be required in connection with the development of the Properties, and other lands designated by Declarant and to promote or otherwise facilitate the development, construction and sale and/or leasing of Units, or any portion of the Properties, and other lands designated by Declarant. Without limiting the foregoing, Declarant specifically reserves the right to use all paved roads and rights of way within the Properties for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Areas. Declarant shall have no liability or obligation to repave, restore, or repair any portion of the Common Areas as a result of the use of same by construction traffic. All maintenance and repair of such Common Areas shall be deemed ordinary maintenance of the Association payable by all Owners as part of Operating Expenses. Without limiting the foregoing, at no time shall Declarant be obligated to pay any amount to the Association on account of Declarant's use of the Common Areas (or Declarant's assigns' use of the Common Areas) for construction purposes. Declarant may market other residences and commercial properties located outside of the Properties from Declarant's sales facilities location within the Properties. Declarant has the right to use all portions of the Common Areas in connection with its marketing activities, including, without limitation, allowing members of the general public to inspect model homes, installing signs and displays, holding promotional parties and picnics, and using the Common Areas for every other type of promotional or sales activity that may be employed in the marketing of residential homes. The easements created by this Section, and the rights reserved herein in favor of Declarant, shall be construed as broadly as possible. At no time shall Declarant incur any expense whatsoever in connection with its use and enjoyment of such rights and easements. Declarant may non-exclusively assign its rights hereunder to any Builder.

10.8 Modification. The development and marketing of NORTH LAKES OF HARMONY will continue as deemed appropriate in Declarant's sole discretion, and nothing in the Governing Documents, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of NORTH LAKES OF HARMONY to, as an example and not a limitation, modify the boundary lines of the Common Areas, grant easements, dedications, agreements,

licenses, restrictions, reservations, covenant, rights-of-way, and to take other such actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments that Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

10.9 Promotional Events. So long as Declarant owns any portion of the Properties, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within NORTH LAKES OF HARMONY without any charges for use. Declarant, its agents, affiliates, or assignees shall have the right to market NORTH LAKES OF HARMONY and Units in advertisements and other media by making reference to NORTH LAKES OF HARMONY, including, but not limited to, pictures or drawings for NORTH LAKES OF HARMONY, the Common Areas and Units. All logos, trademarks, and designs used in connection with NORTH LAKES OF HARMONY are the property of Declarant. Without limiting any other provision of this Declaration, Declarant may assign its rights hereunder to each Builder.

10.10 Easements. So long as Declarant owns any portion of the Properties, Declarant reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, telecommunications services; and other purposes over, under, upon and across NORTH LAKES OF HARMONY so long as any said easements do not materially and adversely interfere with the intended use of Units previously conveyed to Owners. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Unit, or grant new easements over a Unit, after conveyance to an Owner, without the joinder or consent of such Owner, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Unit. As an illustration, Declarant may grant an easement for telecommunications systems, irrigation, drainage lines or electrical lines over any portion of a Unit so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Unit. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. So long as Declarant owns any portion of the Properties, the Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license without the prior written consent of Declarant which may be granted or denied in its sole discretion.

10.11 Additional Development. If Declarant withdraws portions of the Properties from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decisions to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways which remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

10.12 Representations. Declarant makes no representations concerning development both within and outside the boundaries of the Properties including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of Units and buildings in all other proposed forms of ownership and/or other improvements within the Properties or adjacent to or near the Properties, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered.

10.13 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF NORTH LAKES OF HARMONY, INCLUDING WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

(a) IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF NORTH LAKES OF HARMONY HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF NORTH LAKES OF HARMONY AND THE VALUE THEREOF;

(b) THE ASSOCIATION IS NOT ENPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA AND/OR OSCEOLA COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

(c) THE PROVISIONS OF GOVERNING DOCUMENTS SETING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY, AND WELFARE SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

(d) EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A UNIT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF NORTH LAKES OF HARMONY (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE. AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS).

10.14 Resolution of Disputes. BY ACCEPTANCE OF A DEED TO A UNIT, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM, COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. DECLARANT STRONGLY RECOMMENDS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A UNIT.

10.15 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A UNIT, EACH UNIT IS LOCATED IN OSCEOLA COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN OSCEOLA COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN OSCEOLA COUNTY, FLORIDA.

10.16 Reliance. BEFORE ACCEPTING A DEED TO A UNIT, EACH OWNER HAS AN OBLIGATION TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A UNIT, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A UNIT THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE. SUCH RELIANCE IS DETRIMENTAL TO DECLARANT. ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR DECLARANT TO SUBJECT THE PROPERTIES TO THIS DECLARATION, EACH OWNER DOES HEREBY RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE DECLARANT, ITS OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS AND ITS AFFILIATED AND ASSIGNS FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS, CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER IN LAW OR IN EQUITY WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER HEREAFTER CAN, SHALL OR MAY HAVE AGAINST DECLARANT, IS OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS, AND ITS AFFILIATES AND ASSIGNS,

FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THINGS WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

10.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of the Properties, and may form condominium associations, sub-associations, or cooperatives governing such property. No person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's prior review and prior written consent. Evidence of Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

10.18 Density Transfers. If any party shall develop any portion of the Properties so that the number of Units contained in such portion of the Properties is less than the allowable number of Units allocated by governmental authorities to that particular portion of the Properties, the excess allowable Units not used by the such party (with respect to that portion of the Properties) shall inure to the benefit of Declarant.

10.19 Paramount Right of Declarant. Notwithstanding anything to the contrary herein, prior to the expiration of the Class "B" Control Period, Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of the Properties for various public purposes or for the provision of telecommunications systems, or to make any portions of the Properties part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of the Properties. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS OR FACILITIES. DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION AND DESIGN OF ANY AND ALL COMMON AREAS OR FACILITIES, AT ANY TIME, WITHOUT NOTICE AND AT ITS DISCRETION.

10.20 Sales by Declarant. Notwithstanding the restrictions set forth in Article IV, Declarant reserves for itself, and on behalf of Builders, the right to sell Units for Occupancy to persons between forty-five (45) and fifty-five (55) years of age; provided, such sales shall not affect compliance with all applicable State and Federal laws under which NORTH LAKES OF HARMONY may be developed and operated as an age-restricted community.

10.21 Reserved Rights. Notwithstanding any provision of this Declaration to the contrary, Declarant and its assigns shall have the right to: (i) develop and construct Units, Common Areas and related improvements within the Properties, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Units and (b) residences and properties located outside the Properties, general office and construction operations within the Properties; (iii) place, erect or construct portable, temporary or accessory buildings or structures within the Properties for sales, construction storage or other purposes; (iv) temporary deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of the Properties; and (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas or portions of the Properties, signs and other materials used in developing, constructing, selling or promoting the sale of the properties including, without limitation, Units.

10.22 Amendment and Termination of Rights. This Article may not be amended without the written consent of Declarant so long as Declarant has any rights hereunder. The rights contained in this Article shall terminate upon the earlier of (a) December 31, 2057, or (b) upon recording by Declarant of a written statement that Declarant has relinquished such rights.

ARTICLE XI EASEMENTS

11.1 Easements in Common Area.

(a) Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, subject to:

- (1) the Club Plan;
- (2) the Master Declaration and governing documents referred to therein;
- (3) the Governing Documents and any other applicable covenants and easements, including any declaration of easements and covenants or similar instrument relating to such Common Area which grant non-Members rights to use and enjoy portions of the Common Area upon payment of fees or a portion of the costs relating to such Common Area;
- (4) any restrictions or limitations contained in any deed conveying such property to the Association;
- (5) the right of the Board to adopt rules regulating the use and enjoyment of the Common Area;
- (6) the right of the Board to suspend the right to use all (except vehicular and pedestrian ingress and egress and necessary utilities) or a portion of the Common Areas after notice and a hearing pursuant to the provisions of Section 15.5 of this Declaration;
- (7) the right of the Association, acting through the Board to dedicate or transfer all or any part of the Common Area subject to such approval requirements as may be set forth in this Declaration. No such dedication or transfer shall be effective prior to the expiration of the Class "B" Control Period without prior written consent of Declarant;
- (8) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;

- (11) The perpetual right of Declarant to access and enter the Common Area at any time, even after the expiration of the Class "B" Control Period, for the purposes of inspection and testing of the Common Areas. Association and each Owner shall give Declarant unfettered access, ingress and egress to the Common Areas so that Declarant and/or its agents can perform all tests and inspections deemed necessary by Declarant. Declarant shall have the right to make all repairs and replacements deemed necessary by Declarant. At no time shall Association and/or an Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by Declarant relative to any portion of the Common Areas; and
- (12) The rights of Declarant, the Master Association, and the Association reserved in this Declaration, including the right to utilize the same and to grant use rights, etc. to others.

(b) Any Owner may extend his or her right of use and enjoyment to the members of his or her family who are residing in the Unit, residential lessees of the Unit, and social invitees; provided, however, that if an Owner leases his or her Unit to a residential lessee, such lessee of the Unit shall have no exclusive right to use the Common Area, and the Owner (and their family and invitees) shall have no right to use the Common Area during the term of the lease.

11.2 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Area and between adjacent Units due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered on a Unit or the Common Area (in accordance with the terms of these restrictions). However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, an Owner, occupant, or the Association.

11.3 Easements for Utilities. There are hereby reserved unto Declarant, so long as Declarant owns any portion of the Properties, and hereby granted to the Association, the CDD, and the designees of each, access and maintenance easements upon, across, over, and under all of the Properties to the extent necessary for the purpose of installing, replacing, repairing, and maintaining cable television systems, master television antenna systems, security and similar systems, roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, irrigations equipment and lines, and all utilities, including, but not limited to, water, sewer, meter boxes, telephone, gas, and electricity, and for the purpose of installing any of the foregoing on property that any such holder owns or within easements designated for such purposes on recorded plats of the Properties. This easement shall not entitle the holders to construct or install any of the foregoing systems, facilities, or utilities over, under or through any existing dwelling on a Unit, and any damage to a Unit resulting from the exercise of this easement shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of this easement shall not unreasonably interfere with the use of any Unit, and except in an emergency, entry onto any Unit shall be made only after notice to the Owner or occupant.

11.4 Easements to Serve Additional Property. Declarant hereby reserves for itself and its duly authorized agents, representatives, successors, successors-in-title, assigns, licensees, and mortgagees, a perpetual nonexclusive easement over the Common Area for the purposes of enjoyment, use, access, and development of the properties, whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads and for connecting and installing utilities on such property.

11.5 Easement for Maintenance, Emergency and Enforcement.

(a) Declarant, the Association and their respective designees shall have the right, but not the obligation, to enter upon any Unit for emergency, security, and safety reasons, and to perform its maintenance and other obligations and self-help remedies set forth in this Declaration, and to inspect for the purpose of ensuring compliance with the Governing Documents, which right may be exercised by any member of the Board, the Association, officers, agents, employees, and managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their duties. Such entry shall not be considered a trespass.

(b) Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right to enter upon any Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board, but shall not authorize entry into any single family dwelling without permission of the Owner, except by emergency personnel acting in their official capacities.

(c) Any costs incurred by Declarant or the Association in carrying out its or their rights pursuant to this Section 11.5 may be assessed as a Specific Assessment in accordance with the provisions of Section 8.5.

11.6 Easements for Signage. Declarant hereby reserves for itself and for the Association, and their successors, assigns and designees, a perpetual, non-exclusive easement over the Properties, including without limitation the CDD Facilities, Common Area, road right-of-way and other open spaces owned by the Owner of a Unit for purposes of installing, maintaining, operating and replacing permanent and/or temporary signage to advertise any and all matters related to the Properties as determined by the Declarant in its sole discretion. Such signage may include general community advertising to homebuyers, directional signage, model designations and locations, commercial tenant directional signage, town center master signage, and event signage. The easement granted herein is intended to be blanket in nature over the subservient land; provided, however, Declarant shall have the right, but not the obligation, to designate specific locations for such signage and to record a specific easement over such property among the Public Records.

11.7 Easement for Special Events. Declarant hereby reserves for itself and for the Association, and their successors, assigns and designees, a perpetual, non-exclusive easement over the Common Area for the purpose of conducting parades, running, biking or other sporting events, educational, cultural, artistic, musical and entertainment activities, and other activities of general

community interest, at such locations and times as Declarant (or the Association, whichever is applicable), in its sole discretion, deems appropriate. Each Owner, by accepting a deed or other instrument conveying any interest in a Unit, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds and related inconveniences, and each Owner agrees on behalf of itself and the Occupants of its Unit to take no action, legal or otherwise, which would interfere with the exercise of such easement.

11.8 Easements for Surface Water Management System. A non-exclusive easement shall exist in favor of SFWMD, Declarant, CDD, the Association, and their designees, and any applicable state agency, County agency and/or federal agency having jurisdiction over the properties over, across and upon the Properties for drainage, irrigation and water management purposes. Any such drainage easement shall not contain permanent improvements, including but not limited to sidewalks, driveways, impervious surfaces, patios, decks, pools, air conditioners, structures, utility sheds, poles, fences, sprinkler systems, trees, shrubs, hedges or landscaping plants other than grass, except for (i) improvements installed by Declarant, the Association or the CDD, (ii) landscaping of the SWMS, (iii) as required by the County Land Development Code other the Permit, and/or (iv) improvements approved by the Reviewing Entity. A non-exclusive easement for ingress and egress shall burden each Unit and benefit the Declarant, the Association and the CDD in order to construct, maintain, inspect, record data on, monitor, test, or repair, as necessary, any water management areas, mitigation areas, irrigation systems and facilities thereon and appurtenances thereto. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of the Properties and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through the Properties or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

11.9 Easement for Use of Private Streets. Declarant hereby creates a perpetual, non-exclusive easement for access, ingress and egress over the private streets within the Common Area, for law enforcement, firefighting, paramedic, rescue and other emergency vehicles, equipment and personnel; for school buses, for U.S. Postal Service delivery vehicles and personnel; private delivery or courier services; and for vehicles, equipment and personnel providing garbage collection service to the Properties; provided, such easement shall not authorize any such Persons to enter the Properties except while acting in their official capacities.

ARTICLE XII
INTENTIONALLY DELETED

ARTICLE XIII
PARTY WALLS AND OTHER SHARED STRUCTURES

13.1 Party Walls. Each wall or fence, any part of which is placed on a dividing line between separate Units (i.e. the wall or fence straddles the Unit line) shall constitute a "Party Wall." Each adjoining Owner's obligation with respect to Party Walls shall be determined by this Declaration, except as otherwise required by Florida law. To the extent not inconsistent with the provisions of this Article XII, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

13.2 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Party Wall facing his Unit. Except as provided in this Article XIII, the cost of reasonable repair shall be shared equally by adjoining Unit Owners.

13.3 Damage by Owner. If a Party Wall is damaged or destroyed by the act of one adjoining Owner, or his guests, tenants, licensees, agents or family members (whether or not such act is negligent or otherwise culpable), then that Owner shall immediately rebuild or repair the Party Wall to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damages (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Unit:

(a) No Owner shall allow sprinklers to spray or other water sources to deliver water within one foot (1') of any Party Wall, excluding rainfall that falls directly on such area (i.e. an Owner shall not collect rainfall from other portions of the Unit and deliver it within one foot (1') of any Party wall);

(b) No Owner shall allow any tree to grow within six feet (6') of any Party Wall (with such distance measured from the above ground part of the tree that is nearest to the Party Wall within five feet (5') of the ground level of the tree, including any portion of the root system that is not completely covered by soil);

(c) No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any wall; and

13.4 If a Party Wall is damaged by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, guests or family members (including ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair the Party Wall to its prior condition, equally sharing the expense; provided, however, that if a Party Wall is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Unit (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Unit, or his agents, tenants, licensees, guests or family members) then in such event, the Owner of that particular Unit shall be solely responsible for the cost of rebuilding or repairing the Party Wall and shall immediately repair the Party Wall to its prior condition.

13.5 Right of Entry. Each Owner shall permit the Owners of adjoining Units, or their representatives, to enter his Unit for the purposes of installation, alteration, or repairs to a Party Wall on the Unit of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Unit. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

13.6 Right of Contribution. The right of any Owner to contribution from any other Owner under this Article XIII shall be appurtenant to the land and shall pass to such Owner's successors in title.

13.7 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild (other than rebuilding in a manner materially consistent with the previously existing Party Wall) the Party Wall, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

ARTICLE XIV

HARMONY COMMUNITY DEVELOPMENT DISTRICT

14.1 Generally. The Properties are within the Harmony Community Development District (the "CDD"). In the event that any portions of the Properties are owned by the CDD, such facilities shall not be part of the Common Areas, but will be part of the infrastructure facilities owned by the CDD (the "Facilities"). AT THIS TIME IT IS NOT KNOWN WHAT PORTIONS OF THE PROPERTIES WILL BE DESIGNATED COMMON AREAS OR FACILITIES OF THE CDD. FINAL DETERMINATION OF WHICH PORTION OF THE PROPERTIES WILL BE COMMON AREAS MAY NOT OCCUR UNTIL THE COMPLETION OF ALL DEVELOPMENT.

14.2 Creation of the CDD. The CDD issued Special Assessment Bonds (the "Bonds") to finance a portion of the cost of the Facilities. The CDD is an independent, multi-purpose, special district created pursuant to Chapter 190 of the Florida Statutes. The creation of the CDD places Units and non-residential development in the Properties under the jurisdiction of the CDD. The CDD may be authorized to finance, fund, install, equip, extend, construct or reconstruct, without limitation, the following: water and sewer facilities, environmental mitigation, roadways, the Surface Water Management System, utility plants and lines, land acquisition, miscellaneous utilities for the community and other infrastructure projects and services necessitated by the development of, and serving lands, within the Properties (the "Public Infrastructure"). The estimated design, development, construction and acquisition costs for these facilities may be funded by the CDD in one or more series of governmental bond financings utilizing special assessment bonds or other revenue backed bonds. The CDD may issue both long term debt and short term debt to finance the Public Infrastructure. The principal and interest on the special assessments bonds may be repaid through

non ad valorem special assessments (the "District Debt Service Assessments") levied on all benefiting properties in the CDD, which property have been found to be specially benefited by the Public Infrastructure. The principal and interest on the other revenue backed bonds (the "District Revenue Bonds") may be repaid through user fees, franchise fees or other use related revenues. In addition to the bonds issued to fund the Public Infrastructure costs, the CDD may also impose an annual non ad valorem special assessment to fund the operations of the CDD and the maintenance and repair of its Public Infrastructure and services (the "District Maintenance Special Assessments").

14.3 CDD Assessments. The District Debt Service Assessments and District Maintenance Special Assessments will not be taxed but, under Florida law, constitute a lien co-equal with the lien of state, county, municipal, and school board taxes and may be collected on the ad valorem tax bill sent each year by the Tax Collector of the County and disbursed to the CDD. The homestead exemption is not applicable to the CDD assessments. Because a tax bill cannot be paid in part, failure to pay the District Debt Service Assessments, District Maintenance Special Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the property of a delinquent taxpayer through the issuance of a tax deed. The District Revenue Bonds are not taxes or liens on property. If the fees and user charges underlying the District Revenue Bonds are not paid, then such fees and user charges could become liens on the property which could ultimately result in the loss of title to the property through the issuance of a tax deed. The initial amount of the District Debt Service Assessments per year per Unit and the total amount of District Maintenance Special Assessments are unknown at this time. The actual amount of District Debt Service Assessments will be set forth in the District Assessment Methodology Report. District Maintenance Special Assessments relating to Facilities will be determined by the CDD. Any future CDD assessments and/or other charges due with respect to the Facilities are direct obligations of each Owner and are secured by a lien against the Unit. Failure to pay such sums may result in loss of property. The CDD may conduct, in part or in whole, by the issuance of Bonds certain facilities that may consist of roads, utilities and/or drainage system, as the CDD determines in its sole discretion.

14.4 Common Areas and Facilities Part of CDD. Portions of the Common Areas may be conveyed to the CDD. Such Facilities will be part of the CDD and the CDD shall govern the use and maintenance of the Facilities. Some of the provisions of this Declaration will not apply to such Facilities, as the Facilities will no longer be Common Areas once conveyed to the CDD. ANY CONVEYANCE OF COMMON AREAS TO THE CDD SHALL IN NO WAY INVALIDATE THIS DECLARATION. Declarant may decide, in its sole and absolute discretion, to convey additional portions of the Common Areas to either the CDD or the Association. If conveyed to the CDD, such Common Areas shall become part of the CDD's Facilities. The CDD or Association may promulgate membership rules, regulations and/or covenants that may outline use restrictions for the Facilities, or Association's responsibility to maintain the Facilities, if any. The establishment of the CDD and the inclusion of Facilities in the CDD will obligate each Owner to become responsible for the payment of District Debt Service Assessments and District Maintenance Special Assessments for the construction and operation of the Facilities as set forth in this Section.

14.5 Facilities Owned by CDD. The Facilities may be owned and operated by the CDD or owned by the CDD and maintained by the Association. The Facilities may be owned by a governmental entity other than the CDD. The Facilities shall be used and enjoyed by the Owners, on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the Facilities.

14.6 Declarant Easement. The CDD Facilities are hereby encumbered with the perpetual right of Declarant to access and enter the CDD Facilities at any time, even after the expiration of the Class "B" Control Period, for the purposes of inspection and testing of the CDD Facilities. Notice is hereby provided to the CDD and each Owner that Declarant shall have unfettered access and an easement for ingress and egress to the CDD Facilities so that Declarant and/or its agents can perform all tests and inspections deemed necessary by Declarant. Declarant shall have the right to make all repairs and replacements deemed necessary by Declarant. At no time shall CDD, the Association and/or an Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by Declarant relative to any portion of the CDD Facilities.

ARTICLE XV ENFORCEMENT

15.1 Compliance and Enforcement.

(a) Every Owner, tenant, guest, invitee and occupant of any Unit shall comply with the Governing Documents, the Master Declaration and Club Plan. Failure to comply shall be grounds for an action by the Association, Master Association, Declarant, Club Owner or by an aggrieved Unit Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association pursuant to the Governing Documents.

(b) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. Should the Declarant, Club Owner, an Owner, the Master Association, or the Association be required to enforce the provisions of the Governing Documents, the reasonable attorneys' and paralegal fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' and paralegal fees and costs incurred on appeal of any judicial proceedings that may be brought and including any fees incurred in the context of creditor's rights proceedings, to the extent permitted by law (e.g., bankruptcy), shall be collectible from the party against which enforcement is sought.

(c) The Association may also impose sanctions for violations of the Governing Documents in accordance with the procedures set forth in this Declaration, including reasonable monetary fines and suspension of the right to vote for nonpayment of assessments that are delinquent in excess of ninety (90) days, and suspension of the right to use an facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress and egress to or from a Unit. In addition, the Association may suspend any services it provides to the Unit of any Owner who is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association, or for any other violation of the Governing Documents, and may exercise self-help to cure violations.

(d) ALL OWNERS ARE HEREBY PLACED ON NOTICE THAT ASSESSMENTS MAY INCLUDE CHARGES FOR CABLE SERVICES CHARGED BY A CABLE SERVICES PROVIDER. IN THE EVENT AN OWNER FAILS TO PAY ANY ASSESSMENT DUE PURSUANT TO THE TERMS OF THIS DECLARATION, THE ASSOCIATION SHALL HAVE THE RIGHT TO DISCONNECT SERVICES PROVIDED TO THE OWNER'S UNIT, INCLUDING BUT NOT LIMITED TO CABLE AND INTERNET SERVICES.

(e) The Association may, but shall not be obligated to take action to enforce any provision of the Governing Documents. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or stop the Association from enforcing any other covenant, restriction or rule.

(f) SFWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

15.2 Owners Obligated for Lessees, Occupants and Guests. All lessees, Occupants and guests shall be subject to the terms and conditions of the Governing Documents, as though such lessees, Occupants or guests were Owners. Each Owner agrees to cause the Owner's lessees or the Owner's lessee's Occupants, guests, or other persons living with Owner or lessee to comply with the Governing Documents, and such Owner is responsible and liable for all violations and losses caused by such lessees, guest or Occupants, notwithstanding the fact that such lessees, guests, or Occupants of the Unit are also fully liable for any violation of the Governing Documents. Should the Declarant, an Owner or the Association be required to enforce the provisions of this Section, the reasonable attorneys' and paralegals' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' and paralegals' fees and costs incurred on appeal of any judicial proceedings that may be brought and including any fees incurred in the context of creditor's rights proceedings, to the extent permitted by law (e.g., bankruptcy), shall be collectible from the party against which enforcement is sought.

15.3 Covenants Enforcement. Acting in accordance with the provisions of this Declaration, the Bylaws, and any resolutions the Board of Directors may adopt, the Board may appoint a Covenants Committee of at least three (3) and no more than seven (7) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director or employee of the Association. The Covenants Committee shall hold those hearings required by Florida Statutes '720.305 (2022).

15.4 Sanctions. The Association may suspend, for a reasonable period of time, the rights of an Owner or Owner's tenants, guests or invitees, or both, to use Common Area and may levy reasonable fines, not to exceed One Hundred Dollars (\$100.00) per violation or One Hundred Dollars (\$100.00) per day for continuing violation, against any Owner or any tenant, guest or invitee. A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. There shall be no limit to the aggregate amount of the fine that may be imposed for continuing violations of this Declaration. Any fine of One Thousand Dollars (\$1,000.00) or more shall constitute a lien against the applicable Unit, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

15.5 Hearing Procedure.

(a) The Board shall have the authority to adopt notice and hearing procedures provided such procedures comply with Section 720.305, Florida Statutes. A fine or suspension (a late charge shall not constitute a fine) may not be imposed without first providing notice to the Person sought to be fined or suspended and an opportunity for a hearing before the Covenants Committee in accordance with the procedures adopted by the Board. If the Covenants Committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. If the Covenants Committee approves a suspension, it shall be immediately applicable. If the Covenants Committee approves a proposed fine, it shall be immediately due in an amount equal to the number of days such person, or property, has been in violation of this Declaration, multiplied by the per day fine approved by the Covenants Committee (and fines for continuing infractions shall thereafter be due daily without further notice, demand or opportunity for hearing).

(b) The requirements of Section 15.5(a) do not apply to the imposition of suspensions or fines upon any Owner because of the failure of the Owner to pay assessments or other charges when due; however, any such suspension must be approved at a properly noticed meeting of the Board of Directors. In the event of these types of infractions, the Association may impose fines or sanctions without affording the Person to be sanctioned or fined a hearing.

15.6 No Waiver. The rights of Declarant, any Owner or the Association under the Governing Documents shall be cumulative and not exclusive of any other right or available remedy. Declarant's, any Owner's or the Association's pursuit of any one or more of the rights or remedies provided for in this Article XV shall not preclude pursuit of any other right, remedy or remedies provided in the Governing Documents or any other right, remedy or remedies provided for or allowed by law or in equity, separately or concurrently or in any combination. Declarant's, Owner's or the Association's pursuit of any or more of its rights or remedies shall not constitute an election of remedies excluding the election of another right, remedy or other remedies, or a forfeiture or waiver of any right to remedy or of any damages or other sums accruing to Declarant or the Association by reason of any obligated person's failure to fully and completely keep, observe, perform, satisfy and comply with all of the covenants, restrictions and easements set forth in the Governing Documents. Declarant's, an Owner's or the Association's forbearance in pursuing or exercising one or more of its or their rights or remedies, or the failure of Declarant, and Owner or the Association to enforce any of the covenants, restrictions and easements set forth in the Governing Documents or to promptly pursue and exercise any right or remedy contained in the Governing Documents, shall not be deemed or construed to constitute a waiver of any other right or remedy or any waiver of the further enforcement or the provision or the exercise of the right or remedy that was the subject of the forbearance or failure. No waiver by Declarant, an Owner or the Association of any right or remedy on one occasion shall be construed as a waiver of that right or remedy on any subsequent occasion or as a waiver of any other right or remedy then or thereafter existing. No failure of Declarant, an Owner or the Association to pursue or exercise any of their respective powers, rights or remedies or to insist upon strict and exact compliance with the Governing Documents, and no custom or practice at variance with the terms of the Governing Documents, shall constitute a waiver by Declarant, any Owner or the Association of the right to demand strict and exact compliance with all terms and conditions of the Governing Documents. No termination of any of the Governing Documents shall affect Declarant's, an Owner's or the Association's right to collect any monetary amounts due to it for the period prior to termination.

In the event the Association shall desire to amend this Declaration prior to the termination of the Class "B" Control Period, the Association must first obtain Declarant's prior written consent to any proposed amendment. Thereafter, an

amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the termination of the Class "B" Control Period. The Association shall give Declarant sixty (60) days' prior written notice of its intent to amend this Declaration, along with their proposed written amendment, in accordance with the notice provisions contained in Section 20.2, or by prepaid, certified mail, return receipt requested. Any amendment under a particular clause specifying requisite percentage of affirmative votes shall be adopted with the approval of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

19.3 Validity and Effective Date of Amendments.

(a) Amendments to this Declaration shall become effective upon recordation in the Public Records, unless a later effective date is specified herein. (c) No amendment may, directly or indirectly, remove, revoke, or modify the status of, or any right or privilege of the Declarant without the written consent of the Declarant (or the assignee of such right or privilege). Notwithstanding any other provision herein to the contrary, no amendment to this Declaration shall affect the rights of Declarant unless such amendment receives the prior written consent of Declarant, which consent may be withheld for any reason whatsoever.

(d) If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to this Declaration, then the prior written consent of such entity or agency must also be obtained.

(e) Each Owner by acceptance of a deed to a Unit irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to the Governing Documents or the Club Plan. It is expressly intended that Declarant has the unfettered right to amend this Declaration and the other Governing Documents except as expressly set forth herein.

(f) Any amendment to the Declaration that alters any provision relating to the SWMS, beyond maintenance in its original condition, including the water management portions of the Common Areas, must have the prior written approval of the SFWMD.

19.4 Compliance with HUD, FHA, VA, FNMA, GNMA and SFWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the termination of the Class "B" Control Period, the Declarant shall have the right to amend this Declaration,

from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA and SFWMD, or any other governmental agency or body as a condition to, or in connection with, such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by Mortgages on Units. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the termination of the Class "B" Control Period, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SFWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by Mortgages on Units.
